GENERAL

- This competition is open only for teachers of classes 3 to 9 and teaching at least one of the following subjects - English, Hindi, Mathematics, Science and Social Science.
- There is no limit to the number of teachers who can participate from a school. So you can take photocopies of the Registration Form.
- Teachers can send a minimum of 3 and a maximum of 5 questions per subject.

REGISTRATION

- The registration form should be complete in all respects with accurate information. All highlighted (*) details are mandatory to be filled, otherwise the entry will be disqualified.
- Registration can be done online through our website or offline through courier/post (please see details in the box below). We encourage teachers to use the online medium for registration and for submitting questions.
- A contestant should use unique Email id to register online. If two participants are using same email id then both the participants will be disqualified.
- The registration form and the questions should reach us by the last date mentioned in the invitation letter, poster and our website. Entries received after the specified date would not be included in the competition.
- On successful completion of registration, a '**Question Making Tips**' booklet and the question-making format would be sent. This should be considered as a confirmation of registration – no separate confirmation would be sent. If you do not receive the same within seven days of registration closing, please send a mail to **ASSET-qmc@ei-india.com**.

WHERE TO SEND YOUR REGISTRATION FORM AND QUESTION ENTRIES

ONLINE

<http://www.ei-india.com/ASSET-qmc>

Benefits for online contestants :

- Question-making tips by email
- Inclusion in our mailing list for periodic emails on education related information, thoughts and concepts
- Reference to useful websites on education

Note: Please use a unique email id to register.

OFFLINE (Courier/Mail)

Please send them to :

Educational Initiatives Pvt. Ltd.

3rd Floor, Lakshey Deep Plaza,

A-252A, Sant Nagar,

East of Kailash,

New Delhi – 110 065.

Tel : 011-26462264, 40584952

FORMAT FOR THE QUESTIONS

- All questions should be multiple choice type questions.
- Questions should be sent only in the format given along with the 'Question Making Tips' booklet. This booklet would be sent after registration is completed as mentioned above.
- Questions can be submitted through our website as mentioned above or through courier/mail as per box above.
- Questions written in Hindi should be sent only by courier or mailed as a scanned attachment.
- The questions sent by the teachers by post/courier will not be returned to the school.
- Educational Initiatives will have complete rights to use all questions for any purpose considered appropriate.

EVALUATION

- Rating and evaluation of qualifying entries would be done by a panel of judges, who are eminent experts of their respective fields.
- Evaluation criteria would emphasise the following and entries would be qualified and rated according to them :
 - Questions that test knowledge, comprehension, analysis and application.
 - Questions that are interesting, creative and help identify common misunderstandings in children.
- The decision of the judges' would be final and no enquiries will be entertained regarding the same.
- The results of the competition will be declared within 60 days from the last date for submission of questions.
- Prizes will be given in the following categories
 - Best question in each subject (5 prizes): the average score of top 3 questions in each subject would be considered
 - School with highest cumulative points based on quality of submissions of questions (5 prizes – 4 from each region and 1 prize nationally)
 - Special prizes on overall question quality (15 prizes): based on defined attributes in the criteria.
 - Schools with maximum numbers of entries (5 prizes): based on qualifying entries as per criteria.
 - All contestants participating in this competition will receive a certificate of participation.
- Only the names of the final winners will be declared. The individual scores of teachers would not be disclosed.
