

MANAGEMENT REPORT

Class 6

<School Name>

Science
Revision

Chapters/Concepts

February 2018

Students Present: 329

Revision

- Water
- Air Around Us
- Fibre to Fabric
- Fun with Magnets
- Sorting Materials into Groups

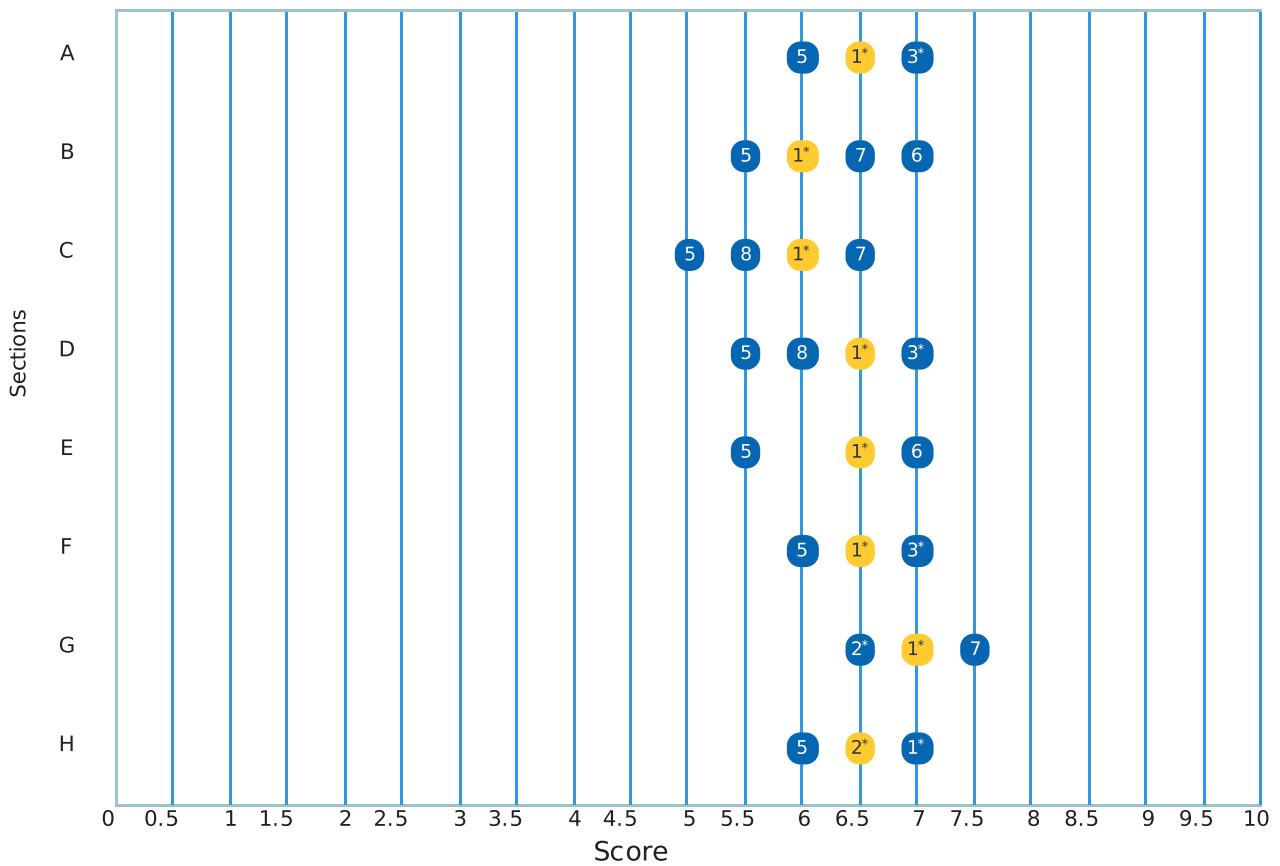

New

- Garbage In, Garbage Out

(More chapter/concept details are in the last page)

Performance History

This section shows the distribution of average scores across tests conducted so far. These scores are rounded to the nearest 0.5.

● Average across tests ● Average of each test Number inside the circle/box indicates the test number in the DA cycle
* indicates one or more tests with the same score

Remediation Efficiency Tracker

This section highlights efficiency of the remediation of all sections based on questions repeated in the revision test.

 **Low remediation effectiveness**

 **Medium remediation effectiveness**

 **High remediation effectiveness**

Curriculum Flow Tracker

This section highlights the pace of the curriculum based on the requests placed in DA. A steady pace of topics taught and tested promotes learning with understanding.

- Green bars indicate those tests where number of topics covered and the time between tests is optimum.
- Orange bars indicate those tests where either number of topics covered or the time between tests is not optimum.
- Red bars indicate those tests where both, the number of topics covered and the time between tests is not optimum.
- Grey bars indicates projects downloaded.

Chapters/Concepts Tested

This section displays all the chapters/concepts that have been tested in the test.

Revision

1. Water
2. Air Around Us
3. Fibre to Fabric
4. Fun with Magnets
5. Sorting Materials into Groups
6. Motion and Measurement of Distances
7. The Living Organisms and their Surroundings

New

1. Garbage In, Garbage Out
